SEASON SUMMARY:

What a thoroughly enjoyable season!! The under 10 Mumford's have been a great group of boys to coach and definitely lived up to the clubs FIRST motto.

FUN – Every game, the players turned up wanting to have fun playing footy with their mates. Win or loss they walked away with a smile on there face.

IMPROVE – The boys all improved their individual skills as the season progressed, but the most pleasing thing was to witness the improvement in the way they played as a team.

RESPECT – For the entire season the boys showed the utmost respect to the umpires and opposition. The most pleasing thing was the respect that they showed each other.

SUPPORTIVE – On the field the boys supported one another to achieve our team goals for each particular game. A regular goal we had was getting numbers to the contest and helping out your teammate. This was a skill that the boys excelled at and should be proud of.

TEAM – The boys behaved and played as a team all season. No player put himself above the team.

I want to thank all the parents for their support during the year. For every game we always had a loyal group of supporters cheering every success. Thank you to Manger Julie and Coach Chantal. The season ran so smoothly because of all the effort that you both put in for the team, thank you. Lastly I would like to thank the boys, your willingness to learn and have fun playing AFL made for a fantastic season.

Player Profiles

Ayden Brown – Ayden is a passionate and courageous player who loves to run with the footy. He has a knack of being there in the right spot when the ball hits the ground.

Nicholas Chapman – Nicholas displays fearlessness when he attacks the footy. He reads the game really well, putting him a step ahead of the opposition.

Max Fischer – Max is an enthusiastic player who is always there for his teammates. He played as one of the teams tails all season providing a great marking option and bringing the ball to ground for the smaller players.

Alexander Hinrichsen – Alex is a courageous player who always gets to the contest and puts his head over the footy. He is very good at getting the contested ball out to his team mates

Bailey Knowles – Bailey played a vital role for the team each week, always picking up the oppositions biggest player. He has the ability to nullify his opponent, but still get plenty of kicks himself.

Daniel Knowles – Through hard work at games and training, Daniel showed massive improvement as the season progressed. By seasons end Daniel was consistently one of our best.

Lachlan Minehan – Lachlan is a natural athlete consistently showing speed and quality ball skills. There were only two games this season that Lachlan didn't kick a goal, finishing the year as the Mumford's highest goal scorer.

Toby Poulton – It was Toby's first season of AFL, but you wouldn't have guessed it. He slotted in to the team perfectly and contributed to the team's success week in week out.

Lincoln Summons – Lincoln is a gutsy competitor that worked hard for his teammates all season. His trademark ability to be able to handball under pressure is a skill that will definitely help him next season.

Thomas Varga-Strike – Thomas is a consistent player who has silky AFL skills with the football in hand. As the season progressed those skills became more evident as Thomas went hunting for the football.

Lachlan Williams – Lachlan was a new comer to AFL this year. He continued to show improvement all year. A favourite moment of the season was watching Lachlan carrying two opposition players on his back while he kicked a goal.
