**Coach – Mark Sinclair**  
**Manager – Glenn Chandler**

## TROPHY WINNERS

<i>Best and Fairest</i>	Nicholas Sinclair
<i>Coaches Award</i>	Kye Michell
<i>Most Improved</i>	Joshua Andrew

## SEASON SUMMARY:

What a great year the u10 Wards had. It has been my absolute pleasure coaching this group of exception young footballers. We had a solid focus this year on developing the skills of the group and to a boy each one has risen to the challenge and improved as the year has progressed.

Often short of numbers the boys always invoked the spirit of the magpie and continued to swoop even when outnumbered or out sized. No opposition team left the field without knowing they had a determined, hard but fair opponent.

Well done to Riley Marshal, Kye Michell and Nicholas Sinclair for representing the club in the GWS Development team. The boys had a great carnival and did the club proud.

In my first year in coaching AFL I would like to say a big thank you to Glenn our team manager. His calming influence over me during games was much appreciated. Organising the team and paperwork is a thankless and undervalued task but without this no team can take the field so thanks!

I am sure all the boys would join me in thanking all the Mums and Dads. We had fresh oranges at every half time break, we had enthusiastic flag wavers behind the goals and we had loads of cheering and clapping from the sidelines.

As we were often under manned I must also say thanks to the various u9 and u10 players who chipped in and played for us during the season. It was a pleasure to see the club spirit alive and well even in the youngest of our members.

While there is no league ladder and no scores recorded each and every one of the u10 Wards can leave this season knowing that in my eyes you are all winners. Good luck in your AFL journey and I hope to see you all back next year.

Thanks,

Mark Sinclair
