## SEASON SUMMARY:

Firstly, a big thank you to all the boys for a great season. This year was the first year of competition and the age group grew to 34 players in total. The Div1 Harbour team grew from 11 to 18 from the previous year which was fantastic for team dynamics and a challenge at the same time. It didn't take long for the boys to mould into a team and enjoy each other's mateship on and off the field.

With a mixture of new players to the club and existing, we set out to develop individuals and team dynamics. Week after week the team continued to develop and the accountability of the boys in matches improved. Every player became more physical and harder to play against. A sensational group of boys for their willingness to learn and the commitment they showed to training every week.

A huge thanks to all the parents and family for your support and help during the year. We really have a fantastic group of parents and thank you for everything throughout the season.

A very special thank you must go to our manager Stuart Haughey. Thanks for your communication, planning and constant reminders that make a coach's job so easy mate.

Another big thank you to our assistant coach Andrew Green. Your help and commitment to training made life easy and enabled the development of the team and individual players to happen easily. Thanks mate.

Also, a huge thank you to Peter and Carmen Cseh for your amazing videos you provided of the games each week. I'm sure the boys got as much out of watching them as I did.

Thank you also to Peter Payne for your all-round support in coaching, running and barracking. Couldn't have done it without you.

All in all, it was a great season that the boys displayed. Every player should be proud of their efforts. Personally, I am so proud of the boys on how they improved weekly and the sportsmanship they always displayed. But most importantly the mateship they showed for each other and hopefully will continue to share in 2018.

See you all next season

Paul Eastman
