Jon Goode

Lara Goode

Kerry O'Brien

These three committee members have been given life membership to the club in recognition of their dedication and service over many years. Jon has had numerous roles on the committee as well as coaching and managing teams. Lara has also given many years service to the club particularly in the roles of registrar and child protection officer. Kerry is at the club early every week setting up the ground and spending many hours making sure that the grounds and facilities are maintained and organised. He has recently taken on the organisation and running of the AFL 9s competition. Jon, Lara and Kerry all commit a huge number of hours every week as ground managers and first aid officers helping to make sure that the club runs smoothly. Congratulations to all three for your amazing effort and commitment to the club and for helping to make sure that all of the kids have a great game of footy.
