SEASON SUMMARY:

A very successful season for our Under 9 Scully players. Our success was made possible by a fantastic group kids that showed up each week wanting to play footy together with their mates. We trust there has been some friendships created through footy that will last for many years to come

A huge thank you to our fantastic group of parents who supported our coach Daniel Everitt and I throughout the year. Without their support the season would not have been anywhere near as enjoyable so thank you for making our Sunday mornings fun.

Officially we never discussed scores. The highlights each week were the oranges at half time, the Allen's Snakes at Full time and the singing of our club song.

A final thank you to the club and officials for your commitment and support throughout the year a lot of volunteers make the club what it is. Without you none of what we enjoy each week would be possible.

PLAYER PROFILES:

#1 Lily Brien – This girl has great pedigree in the family and it's great to see that Lily is just as passionate about her footy as the boys. Lily's final match of the season was a cracker kicking 4 goals before dancing commitments ended her season 2 games early. We are looking forward to Lilly and the Jo-Jo Bow making a return next year

#35 Ethan Cooper – A big and strong runner of the ball, when Ethan turned ball in hand he wasn't often stopped being able to complete a disposal with every possession.

#23 Darcy Everitt – Tenacious in defence he didn't give up all match and made sure the opposition worked for every possession, a handy goal kicker, Darcy also didn't mind an orange or two at half time.

#15 Lachlan Fahey – A young man to watch in the future, knows the game, loves playing the game, heaps of natural ability and knows every statistic. We are looking forward to Lachlan's return next season

#8 Callan Lewis – a gifted player, who knows where to position himself on the field, Watching this young man play you know he has a future ahead of him. The highlight of his game is his ability to run onto a ball, make space and clear often without having the opposition lay a hand on him.

#36 Aiden Pett – A team player, one of the real workers on the field, Aiden is into everything, picking up a loose ball, making space and tackling, Aiden has it all and loves to score goals. Was our #1 kick passer for the year.

#24 Tom Smart – Talented and humble, a players player, a strong all-around the field, defensively a great tackler, clears well from the mid field and very handy in front of goals. Tom's strength......he never quit.

#34 Rylan Strong – Strong by name, Strong by nature developed into a great defensive weapon this season a tackling machine on his day. With ball in hand Rylan is also a strong runner and passer of the ball, great season.

#9 Myles Sweep – Every team needs one of these guys, you never know where he is going to be and before the opposition knew it Milo had pilfered the ball and was off. Loves scoring goals and on his day one of our most accurate goal kickers

#25 Nick Wilson – Quick on his feet and hard to tackle. In attack, Nick loves to get his hands on the ball and make some space and not afraid to make the hard tackles in defence. Loves to harass the opposition.

#09 Milla Whitley – Joined our team later in the season and loves the game, loves to train and will be a real asset next year. Kicked a couple of goals in our final game for the season so has a taste for next year.

We were lucky to have two regular ring in's during the year

Jensen Sweep (JK) and Lucas Williams both played up from under 8's when available and both represented themselves very well so here is a special mention

Jensen Sweep #24 – Quite simply punched way above his weight every game he played, a fearless tough little man who involved himself in the ruck at every occasion and ran hard with ball in hand when he cleared

Lucas Williams – Played with heaps of ticker, never said a great deal and let his footy do the talking, strong in defence and attack with a real future.
