Front row: William Tanner, Jack Reilly, Brayden Richmond, Sean Collins, Jack Ferguson, Lachlan Scott, Aidan Johnson-MacRae.

SEASON SUMMARY:

From the outset we knew there would be a strong and supportive bond between our players, as we had retained 8 players from the previous season. We then went on to recruit 3 additional players who slotted into Team Davis with the greatest of ease.

During training sessions the girls and boys were incredibly focussed, every week they trained with enthusiasm and determination. They started with the basics of hand passing, kicking and tackling and swiftly progressed on to working together as a unit with shepherding and disposing of the ball to well-placed fellow team mates.

During the season all team members developed an impressive repertoire of skills. Their confidence to take a mark and to tackle with passion increased with each game. As a team we regularly demonstrated fantastic offensive play and at the other end of the field we had an equally as strong "rock steady" defence. In the middle we demonstrated pace and ability to move the ball quickly into the forwards.

U10 Davis

I would like to take this opportunity to thank the parents of Team Davis, for entrusting us with this incredibly important role. Each Sunday we felt proud to be part of such an amazing team – our children are an awesome group, competitive yet humble, determined yet respectful. Thank you for all the oranges, lollies and most of all the 'flagging'. (That became an event all of its own.) Thank you for the support and the sense of community that we developed – Team Davis are a 'beautiful' bunch of people, both parents and children.

Nicole Hicks your organisational skills are second to none. Thank you for keeping the team on track with all events, payments, venues, training and game times. Many thanks.

Have a wonderful summer and we look forward to you all returning to the Magpies in 2019.

PLAYER PROFILES:

Isobel Prince: Our veteran player who played her 50th game this season. Isobel is tough in the contest and puts her body on the line. Isobel shows natural leadership qualities by motivating and encouraging her teammates. Great season!

Gabriella Bell: First year player who continued to improve her kicking and ball skills throughout the season. Gabriella's height makes her a brilliant prospect for a quality Ruck in the future.

Sean Collins: Reads the play beautifully and has all round elite skills. He is a rock in defence and has wonderfully clean hands and a booming kick. A worthy recipient of the "Best and Fairest" accolade this season.

Alexander Eason: A passionate and courageous player who puts his body on the line. Strong offensive skills with a massive boot. Will run all day and has kicked a number of handy goals this season.

Jack Ferguson: A natural leader who plays with his heart on his sleeve. Jack is a natural centre/half forward and kicked some amazing goals this season. He is strong in the contest and his pace allowed him to outrun the opposition.

Sarah Hicks: A versatile player who plays hard in the contest to win the ball. A team player that moves the ball down the corridor and can be relied on to take the tackle. Sarah's kicking game improved noticeably throughout the season.

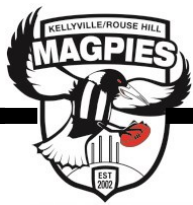

Aidan Johnson-MacRae: Loves the physical side of the game, great tackler and supports his teammates well. Aidan got better and better as the season went on and shows a natural aptitude to the game.

Jack Reilly: First year player who made an immediate impact in the team. Jack trains and listens extremely well and worked hard to develop his skills. Jack is hard in the contest and can be depended on to move the ball through the midfield.

Brayden Richmond: Another great year full of improvement. A natural forward, Brayden contributed strongly to the team where he scored his fair share of goals for the team. He listens intently and can execute instructions as required.

Lachlan Scott: A first year player who made an immediate impact in the team. Lachlan's strength is his elite speed and ability to break clear of the contest and boot the ball down the corridor. A bright future in AFL waits ahead for Lachlan.

William Tanner: William followed up with another great year, full of improvement. He is the team's quiet achiever and has displayed all round strong ball and kicking skills this season. A team player that is passionate about his love for the game.
