

Coach – Damon Steer
Manager – Amanda Ramsay

SEASON SUMMARY:

At the start of the year the team did not have a coach and were not sure what they were going to do. The job came to me and I said yes and I never looked back at coaching the boys.

Yes the year was a long one for everyone but the boys turned up each week. They just wanted to play footy with their mates. I have to say that I was very keen to get a win. I never gave up on the boys & we got the win that everyone was looking for. It was a great feeling!

I wanted to thank everyone for helping me out this year too. Thank you boys for the year and I look forward to seeing you at footy in 2018.

Damon

Player Profiles

Aidan Upton – Aidan would always turn up and train hard. He put 100% effort into every game he played this year. He has great skills & always did anything that was asked of him. 2017 Best and Fairest.

Brayden Egan – Brayden would play great footy each week. His skills got better throughout the season.

Liam Ramsay – Liam would always do a lot more than he had to do during the season. Liam had some injuries so he missed the first few games and a couple at the end too. He made sure he did the little things to get back on the field for end of season.

Stuart Crane – Stuart started the season with some skills that he needed to work on. He listened to the advice given and played some good games with improved skills.

Daniel Peterson – Daniel can play at both ends of the ground when needed. Daniel is able to stop goals and also kick goals. His skills have improved during the season.

Mitchell Birkett – Mitchell was a big part of our backline this year and had a good season all round. Mitchell was able to use his fitness to his advantage.

Reagan Blackburn – Reagan worked hard on his skills during the season. I could ask him to do a job each game and he would get it done.

Connor Maybury – Connor and I worked on his skills throughout the season. At the end of the year his skills had improved greatly. Connor always listened to instructions.

William Brown – William enjoyed playing the year with the boys and his skills got better along the way. I hope to see William back next year.

Joshua Forward – Josh would turn up to each training and games. Joshua always gave it his best and had a great season.

Dylan Bennett – Dylan found it hard all year to get going due to long injuries. When Dylan was there he played some great footy.

Jack Jones – Jack started the season not knowing much about AFL but we worked hard together and his skills were a lot better by the end of the season. Well done Jack.

U13 Western

Conall McHugh – Conall was a great kid to coach this year. He doesn't have a slow down button just a fast and stop. He was able to play in positions at both ends of the field.

Harrison Cowling – Harrison was another player that didn't start the season off well with an injury that had him miss a couple of weeks. When Harrison returned to the field he came back fit and played really well.

William Routledge – William played some good football when you gave him a job to do and just went hard to get the ball.

Angus Routledge – Angus had a good season and always got along with his teammates. Angus always tried hard when playing.
