Season Summary

A big thank you to all of the players and parents that made 2019 such an enjoyable year. I believe the boys came a long way in their football and the final game just showed how well they had developed their skills, grew in confidence and bonded as a team. A big thank you to Ian & Amber Torney for all of the behind the scenes work. Looking forward to you all coming back in 2020.

U10 Shaw

Player Profiles:

Charlie Walter

A tough tackling player who can always be relied upon to put his body on the line. Charlie could be relied upon each week to hold down our backline and next year should see Charlie continue to improve his game as we move into competitive football.

Dilshaan Sra

Shaan came to the team from the Blacktown Suns and quickly showed his dominance with his physical presence. Has the potential to become a key forward or ruckman and should see big things from him next year.

Will “Shawn” Boxshall

A first-year player that took the game by storm. A natural athlete whose dedication to training and trying to always improve saw him amongst our best players each week. Expect to see plenty of development next year.

Kieran Callaghan

This was Kieran's first year playing AFL football and he progressed in leaps and bounds in with his skills development. A courageous player who tackled his heart out, saw him become a strong contributor around the ground. Our Most Improved award winner and has the potential to become a very good small defender.

Kye “Wiggles” Grainger

Unfortunately Kye wasn't able to participate in many games this year, but when he did, he demonstrated he is a long kick of the football and finished off the season with a nice goal in the last game of the year.

Liam Chandler

A strong year from a footballer that finds plenty of the football. A very good kick of the football that saw Liam earn first-place finish in our B&F awards.

Eli MacDonald

Another first year AFL player that developed his football skills as the year progressed. Has a good turn of pace and the potential to be a great crumbing forward or a strong tackling defender.

Christian Williams

Christian is a dedicated trainer who loves his football. He started the year strongly kicking some nice goals and as the year progressed spent more time in defensive roles ensuring that our opponents forwards had little impact on the scoreboard.

U10 Shaw

Harrison Tolar

A strong year from Harrison whose confidence grew with each week. Took plenty of opportunities to score quite a few goals this year and developed into a player who played his role well each week, especially in the ruck and up forward.

Jonathan Torney

This was Jonno's second year with the club and he gained confidence as the year progressed. We should expect to see this growth continue next year, which will take his game to a new level.

Will Tanner

Will is a very skilled footballer with very accurate handballing and kicking skills. I'd expect these to only continue to improve as he grows into a very good footballer.
