Season Summary

What a great season Team Kelly had in 2019. It was my pleasure to coach a great bunch of energetic and enthusiastic AFL players, some of which it was their first season fresh out of Auskick.

As it was my first-time coaching AFL, I didn't know what to expect however from the very first training session the boys displayed a passion and commitment for the game which was exciting, and I knew then it was going to be a great season.

Every Sunday the boys gave 100% and improved with each game. They played some fantastic footy, had great momentum, some awesome set plays, kicked lots of goals, improved their handballing, worked together and most importantly had lots of fun!

Team Kelly consisted of:

Roaring Rory, Kicking Keir, Bouncing Charlie, Goal Kicking TJ, Tackling Alastair, Side stepping Xavier, Busting tackles Braxton, Ruck menacing Jake, Marathon running Matthew and Never stopping Samuel.

The Highlight of the season for me was watching the boys against a very good Baulkham Hills Hawks team. Watching all the hard work from the weekly training sessions paid off in the final game and this was fantastic to see.

A big thanks to Mel Fraser our Magnificent Manager for all her support and organisation of team each week.

Also, thanks to the Dads who helped during training sessions and on Sundays.

Finally, to everyone who came to cheer on the boys each week. I know they loved having their families there to cheer them on.
