## Season Summary

What a year for Under 10 team Davis.

As a team we have been very fortunate with the core playing group returning for another year. This was our final year of non-competitive competition.

It was a tricky year for the U10 group. As a club KVRH nominated 4 under 10 teams and we played ourselves internally more often than we played opposition teams. It made it difficult for the players on the field and we found turning our jerseys inside out confusing for our players so we made the decision to play in red tee shirts when playing teams internally.

Although no scores are formally recorded our boys were very aware how they performed at the end of each game. I must acknowledge the efforts of our boys; we played every game hard and fair and we ended every game kicking more goals than our opposition. A huge thank you for the commitment shown by our parents who ensured our players attend training and made it to games on time, without your support Daniel and I would not have been able to train and coach the players to the standard we have achieved this year.

A big thankyou to the club committee and volunteers for your efforts throughout the season, without you the club would not be as successful as it is.

## Player Profiles:

**Ethan Cooper**, 14 Goals 11 Behinds. Proved himself as truly strong defender, able to get around the ground and tackle his heart out when placed in the middle and backs, very capable of kicking a goal when placed in the forwards.

**Darcy Everitt**, 12 Goals 7 Behinds. Being the coach's son can never be easy, Dads can always be toughest on their own and Darcy took this in his stride every week. Very strong marking the ball, comfortable in all positions across the ground.

**Lachlan Fahey**, 21 Goals 9 Behinds, Loves playing in the forwards, made the most of every opportunity a passionate student of the game knows the statistics and trains hard every week.

**Logan Harding**, 3 Goals 4 Behinds, A workhorse every weekend, one of our key defenders and responsible for clearing the ball from the mid field each week. Great season Logan.

**Callan Lewis**, 33 Goals 20 Behinds. Gives 100% every week, our leading goal kicker for the year despite missing a few games though injury, a real team man who sat on the sideline even when unable to play.

**Aiden Pett**, 23 Goals 17 Behinds. Great improvement this year a strong runner of the ball, loves to run and bounce. Opposition teams often placed 2 on Aiden in an attempt to close him down.

**Tom Smart**, 29 Goals 13 Behinds. Strong all around the ground, a very popular team member a great left foot that frustrated the opposition one of our longest kickers.

**Rylan Strong**, 6 Goals 4 Behinds. Defence, Defence, Defence, when Rylan tackled the opposition, they knew they were tackled. Trained hard all season, understood his role in the team and worked hard for us all season.

**Myles Sweep**, 15 Goals 7 Behinds. Worked hard every week and played above his weight, a great team man with plenty of ticker. When Milo was "ON" he was unstoppable.

**Nick Wilson**, 14 Goals 19 Behinds, quick on the ball with a good turn of speed and one of our longest kickers, our team stirrer, frustrated the opposition whenever he could.

**Xavier Young**, 2 Goals 7 Behinds, joined our team in round 2 of the season and fitted straight in, a strong runner of the ball able to pick up the ball and make space, strong in the midfield providing our forwards with heaps of ball.

A special thank you to **Jensen Sweep** an under 8 playing up in under 9's who backed up in U10's team Davis whenever he was available. A great little man with plenty of heart. Jensen would run out as a Magpie or play for the opposition when they were short of numbers. The most memorable game this year was when Jensen playing as a Blacktown Suns player put one of the best tackles on one of our strongest players, it brought a huge cheer from the crowd and put a huge smile on JK's face.
